

Introducing the **BUCK DENVER** asks®...

WHAT'S IN THE BIBLE? CHURCH edition

52 WEEKS GENESIS-REVELATION

WHY should I select the *What's in the Bible? Church Edition* to take our children's ministry through the whole Bible?

Brought to you by *VeggieTales*® creator Phil Vischer, this 52-week curriculum provides an exciting and educational journey through the Bible (Genesis to Revelation) for Grades 1-4 that everyone in your church will love.

The **KIDS** in your ministry will laugh and learn alongside Buck Denver and friends, experiencing God's Word through video clips, teaching activities, songs, games, crafts and more! They'll go deeper into God's Word than ever before – learning about God's Great Rescue Plan as they review every book of the Bible, and tackle **BIG** topics like who wrote the Bible, why we can trust it, sin, grace, salvation, faith, the fruit of the spirit, and more!

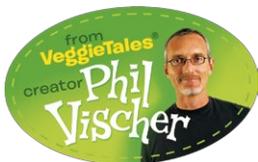

The **LEADERSHIP** in your children's ministry will appreciate the ease of preparation for each week's lesson, the excitement of the volunteers, and the built-in family ministry components that easily bridge to the home. Plus the whole curriculum is customizable – using the optional included Word versions of the leader guides, you can tailor each lesson specifically for your church.

The **VOLUNTEERS** in your children's ministry will love how easy each week is to teach and will enjoy developing relationships with the kids in their small group. Volunteers can also prep for each lesson using an included password-protected web site where they can watch the video clips and read through the lesson! They can even use the site on their phone or tablet.

The **PARENTS** in your church will love how engaged their kids are in the Bible, and how *What's in the Bible?* teaches kids not just facts about God's Word, but how to enter into a lifelong relationship with him. They will feel equipped with the weekly Go Home Cards that include discussion questions for the ride home from church. They'll also appreciate that the home DVD series is available for the whole family to enjoy together and reinforce the learning about God's Word!
