

Who am I? (A new creation version)

When we become a part of God's Kingdom, we are a new creation. We are free from the sin that kept us away from God. When God looks at us, He sees us the way He sees Jesus.

Read Colossians 3:12-17. These verses tell us to “put on” things that show we are a new creation in Christ. Decorate the person below to be you. Add your hair and eyes and smile, and then color the cut-outs on the next page and glue them on to your drawing.
