

FAMILY DISCUSSION GUIDE

1. Paul traveled all over the Roman World to build new churches, and then he wrote letters to help encourage those people. **Can you share a time someone's words encouraged you?**
2. We learned that we are JUSTIFIED through GRACE by FAITH. **Do you remember what that means? Can you answer these questions to help us remember?**
 - What label do we all wear because we choose our way instead of God's way? (Sin)
 - This word means unmerited favor, and that God gives us something better than we deserve! (Grace)
 - When we have this, it means that we believe that God is who He says He is and that He will do what He says He will do. (Faith)
3. The fruit of the spirit is what grows in us when we believe in God. Just like an apple grows on a tree, the fruit of the spirit grows in us and can be seen by the whole world! **Can you think of a time you saw the fruit of the spirit in another person?** Let's pray asking God to continue to grow the fruit of the spirit in our hearts!
4. There are exercises that help us grow close to Jesus. **Do you remember some of the ones from the video? (Prayer, reading the Bible, listening to God, giving up something for a time to focus on God) Is there one spiritual discipline that you would like to practice at home?** Let's think of ways we can practice it together.
